WARRANT.

THE STATE OF NEW HAMPSHIRE.

[L. s.]

To the Inhabitants of the Town of New Ipswich, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the town house in said New Ipswich on Tuesday, the eleventh day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To see if the town will vote to raise five hundred dollars for maintenance work for state road, or take it from the highway money.
4. To see if the town will vote for state aid for highways and raise five hundred ninety dollars and fifty cents for the same.
5. To see if town will vote to raise two hundred dollars for library.
6. To see if town will vote to purchase a permanent Honor Roll to contain the names of all New Ipswich soldiers who served in the late war, decide where to place it, and raise money for same.
7. To see if the town will vote to raise money for new cages for street lights, or take any action thereon.

8. To see if the town will vote to raise money for Memorial Day.

9. To see if the town will vote to raise money for Old Home Day.

10. To see if town will vote to authorize the selectmen to borrow money in anticipation of taxes.

11. To see if town will vote to authorize the selectmen to distribute the blank inventories at the time they take the appraisal.

12. To choose one trustee for the trust funds.

13. To choose three trustees for the Spaulding school fund.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and nineteen.

WALTER S. THAYER,
LAURISTON M. P. HARDY,
ROBERT B. WALKER,

Selectmen of New Ipswich.

AUDITOR'S REPORT.

Your auditor has examined the accounts of the various town officers and found them all properly cast and with vouchers therefor, with the exception of the accounts of the road agents. Owing to the fact that this is the first year that the town has had the road agents make out their own reports there has been some confusion in the matter, and Mr. Joseph Silver was the only road agent who presented me with any vouchers for his account. He was unable to produce vouchers for \$34.65 of his accounts. He had vouchers for \$844.59.

The expenses of the town have been as follows:

Town officers' salaries.....	\$386.30

REPORT OF THE LIBRARY FOR 1918.

The Trustees report the Whitman legacy stands in the same position as a year ago. There is no doubt about our receiving the money when the case is brought up for final hearing. In the meantime the running expenses of the library must be met, and we are obliged to ask a town appropriation. Last year the amount on hand was \$42.50. This year it is only \$17.29.

Our citizens want to use the library and for this end we ask an appropriation of \$200 to help pay the running expenses.

The board of trustees are:

Miss C. F. Barr	Mr. John Preston,
Mrs. H. M. Brooks,	Dr. J. L. Hildreth,
Mrs. H. P. McKown,	Mr. P. F. Gordon,
Mr. E. O. Marshall,	Dr. F. W. Jones.

SPAULDING SCHOOL FUND ACCOUNT.

The trustees have collected the dividends on the various accounts. Owing to the fact that United States Government Bonds have been selling on a basis of about four and one-half per cent income, and the account which the trustees have had in the Mason Village Savings bank yields only a very slight fraction over four per cent, we have decided to change this \$3000 into U. S. Government 1st Liberty Loan 4 1/4% bonds. At the present market price this will yield an income of \$132.75 annually plus an average annual sum of about \$3 if the bonds are held to maturity in 1947. This will give the fund a slight fraction over 4 1/2% income for the period, besides giving the safest security in the world. The trustees have retained in their hands the sum of \$77.47 of this year's income to pay the accrued interest on these bonds. This will be returned to the fund on the next interest date of the bonds.

REPORT OF STEARNS LECTURE COMMISSION.

To whom it may concern:

The efforts of the lecture commission have been greatly interrupted by the World War, planned and executed by a most execrable monarch, the would-be usurper of God and the insane man of Europe; therefore the public will kindly accept our excuse for any remissness.

Capt. Albert Stearns of Brooklyn, N. Y., for years superintendent of Church & Dwight Soda Works of Brooklyn and Syracuse, N. Y., donated this fund. This noble benefactor passed his youth on a farm situated on Ashburnham road. He obtained his education at the Gibson schoolhouse, on the banks of the Souhegan, near the Gibson Four Corners, a spot fertile in history, many of whose students have achieved success and distinction in the business world.

After reaching the summit of his career a retrospective thought developed the idea of benefiting his adopted town. The result of a correspondence with a schoolmate and her son materialized this meritorious object, which they suggested and coöperated with fully. Therefore he gave a perpetual fund, since named the Stearns Lecture Fund, the income therefrom to be expended for non-sectarian lectures.

Captain Stearns died April 21, 1914. His portrait now hangs in town hall among those of other men who have been prominent in the history of the town.

This gift has become a memorial in honor of the donor as well as an incentive towards raising the standard of education generally. He was born in Rindge, N. H., December, 1833. The conditions of the gift specify that the selectmen in succession shall serve as trustees. He further stipulated that the lecture commission should annually file a report with the trustees. His first gift of \$3,000 formed the nucleus, which is invested in a policy of the Massachusetts Hospital Life Insurance Co., 50

State Street, Boston, Mass. The first installment of \$2,000 was made in 1907 and is invested, viz: Amoskeag Savings Bank, Manchester, N. H., \$1,000; Fitchburg Savings Bank, Fitchburg, Mass., \$1,000. The second installment of \$2,000 was made in 1912 and is deposited, viz: Amoskeag Savings Bank, Manchester, N. H., \$1,000; Merrimack County Savings Bank, Concord, N. H., \$1,000.

NEW IPSWICH, N. H., January 29, 1919.

REPORT OF SUPERINTENDENT OF SCHOOLS.

To the School Board of New Ipswich:

Herewith I submit my second annual report as superintendent of your schools.

Since my last report there have been three changes in your teaching force caused by the resignations of Miss Joyce, Miss Tibbetts and Miss Cleary. You were, I believe, very fortunate in your selection of their successors, Mrs. Aldrich, Miss Johnson and Miss Killelea. I consider your teaching force at the present time a strong one, much surpassing the average staff for small towns in the state.

The year's work has been interrupted by the forced vacation on account of influenza, but not more so than has generally prevailed elsewhere.

Your present enrollment is as follows: Center Grammar, 16; Center Primary, 26; Highbridge, 44; Four Corners, 23; Smithville, 35; Finn School, 20; total, 164. The attendance could be improved, but has not been bad.

I wish especially to call your attention to the large membership at Highbridge. Forty-four children are too many for a one-room mixed school. The task of teaching such a large number, scattered through the various grades, is too hard and too difficult for the young teacher, and is hardly fair to the pupils. If this condition is liable to prevail each winter, steps should be taken to relieve the congestion. Miss Monahan, however, has been very successful at Highbridge.

But two slight changes in the program of studies have been made during the past year. The history course has been enriched with more biographical readings in grades four and five, and ancient history readings have been introduced into grade five, the latter to make the course conform to the state program. In grades seven and eight, junior high school mathematics have been substituted for the traditional arithmetic. This last change brings us

still nearer to the state program. It has not seemed advisable, however, at the present time to make an attempt at introducing a foreign language and elementary science into the upper grades. This is the only respect in which we essentially differentiate from the state program, and even though foreign language does not appear in curricula II and III. The manual training has been rather slighted since the beginning of this school year, but this defect is now receiving proper attention.

Recognition should be made of the presentation of attractive silk flags to the several schools by the Parent-Teachers' Association.

The school garden movement should receive the hearty support of the community this coming season. The gardens are a patriotic duty, and the work both educational and economic.

Our outbuildings should receive more careful attention.

I wish to suggest to you at this time that perhaps New Ipswich has a patriotic duty to perform in the Americanization movement. Wherever it is possible to do so, each community should see to it that every resident learns to read, write and understand the American language—English.

Thanking the Board for their coöperation, and consideration shown to me, this report is respectfully submitted.

LOUIS DEWITT RECORD,

District Superintendent of Schools.

February 1, 1919.

REPORT OF THE SCHOOL BOARD.

To the Citizens of New Ipswich:

Schools have progressed very well this last year, the only interruption being on account of influenza, which, as Mr. Record said in his report, has generally prevailed elsewhere.

The schoolhouses are all in fairly good condition, so the School Board have no extra articles in the warrant this year.

We wish to thank the Parent-Teachers' Circle for their kindly help and coöperation in our work, and hope it may continue. We wish especially to thank them for the gift of a silk flag for each schoolroom.

BUDGET FROM AUGUST 31, 1919, TO AUGUST 31, 1920.

REPORT OF MEDICAL INSPECTOR.

More sickness has prevailed among the pupils during the past year on account of the successive epidemics, resulting in more absences. The neglect of the teeth is still one of the leading defects that the medical inspector has found. A few cases of hypertrophied tonsils exist. Several cases of adenoids and enlarged tonsils have been sent to the hospital, operated upon, and paid by the Parent-Teachers' Association.
